Crossing the Roads Safely – Crossword

See if you can solve this crossword using the clues below.

Adults can help.

Across:

- 6: This small bird with a colourful beak likes to eat fish, but never when it's crossing the road at this type of crossing. You can sort these letters to give you the answer - FFINPU (6)
- 7: A good thing to do with a grown-up when crossing the road, to keep us safe (4 and 5)
- 8: If you sort CLIVE F TREE, you'll see why headlights shine back from the strip on the lollipop man's coat (10)
- 10: Is this winged horse about to cross the road at this type of crossing? Clue: Ask if any adults know the name of a horse that can fly (7)
- 11: Cricketers score this with a single, but it's something we should never do when we cross the road (3)
- 12: You could cross this stripy animal to the other side. It's the name of a crossing (5)

Down:

- 1: We need to STOP, LOOK and _____ before crossing the road (6)
- 2: A crossing for both pedestrians and cyclists. It has the same name as a bird with large colourful beak (6)
- 3: Can you sort these letters to give a word for a person who is walking? - ADEEINPRST (10)
- 4: Should I look left or right, or what, when crossing the road? If you sort these letters it should help - ABHOSTWY (4 and 4)
- 5: It's why we can see a lollipop lady's coat during the day? Clue: It begins with F and has all of these letters - CEEFLNORSTU (11). I think we've used this word later, so you could come back to it.
- 9: We should find a _____ place to cross the roads. Sort these letters to give you the answer - AEFS (4)

You can make hundreds of words from the letters in the word **PEDESTRIAN**

To make keep it easier, we are going to ask you to come up with 2 four-letter words that begin with each letter. So, 2 words beginning with P, then 2 words beginning with E, and so on.

There's a little problem. We could only find 1 word that began with an **I**.

Any **IDEA** what that could be?

Look at this picture. Can you say why FLOURESCENT JACKETS and REFLECTIVE strips can make you safer?

Underline the one you think is correct.

They look nice

They save on torch batteries
