

AUTISM & ADHD

Parent/Carer Support Group

This is a parent/carers lead support group.

A safe space to discuss your child's or family's needs regarding behaviours that are indicative of Autism and/or ADHD. A chance to feel less isolated with an opportunity to meet other parents/carers with similar experiences.

Experienced staff from the Neurodevelopmental Behavioural Support team are on hand to offer guidance, support, useful strategies, information, and answer questions.

The group is mainly centred around group discussion, however if you wish to speak to a member of the team 1-1, we will always endeavour to do our best to accommodate this.

Please note this is a parent/carers support group. If you need to bring children, we cannot offer any supervision and they will remain in your care throughout the session.

No diagnosis required.
